The screenshot shows the IBM SkillsBuild interface. At the top, there's a navigation bar with 'IBM SkillsBuild' logo and user account options. The main header area displays the course title 'Create a Great Professional Resume (Job Application Essentials)' with a green NAF logo and a rating of 4.4/5 stars from 306 reviews. Below the header, the course description states: 'Sobre esta atividade de aprendizagem: Leverage the things employers look for while you write a resume that can power up your job search.' It also lists three key takeaways: 'Discover the magic in three topics:', '• Determine the goals of your resume', '• Ensure your resume makes a good impression', and '• Create the different sections of your resume'. A duration badge indicates 'Duration: Complete this course to earn 115 minutes of learning credit.' At the bottom, it says 'Complete all four courses in this series to earn the Job Application Essentials badge, an IBM and NAF co-creation.'

Introducing the 2020 Red Hat Certified Professional of the Year | Red Hat

3 mins 1.15 5 stars 2

Completed 09 Mar 2024

Open video

About this learning activity

Red Hat recognizes Red Hat Certified Professionals who demonstrate integrity, hard work, and expertise by making a difference in their organizations and in the community. In 2020, **Patrice Harbut** was named Red Hat Certified Professional of the Year. Harbut holds 14 different Red Hat certifications, including Red Hat Certified Architect (RHCA) in Infrastructure Level VII, the most proud of the RHCA certified, which represents Red Hat's highest level of certification. "Becoming a Red Hat Certified Architect was the defining moment in my career," he said. Patrice has developed skills and expertise in cloud, DevOps, security, and high availability systems. He has gained knowledge to work as a senior Linux systems engineer and technical leader with IBM, as well as a Linux administrator for Stern and Canal Group.

Read from Patrice Harbut about his experiences in this video presented by Red Hat.

Note: On the video toolbar, go to **Settings**, select **Subtitles**, select **English**, and then select **Auto-Translate** to enable subtitles in a language of your choice from the drop-down.
